

Martinsburg Farmers Elevator

Creep Feeding Program

Free Feeder Rent for the First Month!!!

- With the purchase of 1,500 lbs. of Purina Branded Creep Feed.
- If you have a feeder already, we will waive the first delivery charge.
- You can use grain bank, and use your own corn!!

CREEP FEEDING TIPS AND INFO:

- Give calves 30-45 days to be trained to use a creep feeder.
- 40 Calves maximum to each 8' double sided creep feeder.
- Place feeders near herd's loafing area (water and/or shade).
- Keep intake at or below 1% of Body weight to prevent fleshy calves.
- Weigh calves before starting creep to measure performance, and qualify for a performance proof.
